Community Engagement

Northern Gateway Public Schools recognizes that in a rapidly changing world, effective partnerships within our communities enhances the support of quality education for our students.

- Students are invited to participate in formal and informal educational partnerships through community events.
- Community members are invited to share their expertise and passions with students.
- Each school provides parents and community representatives with the opportunity to join a School Council.
- School Council members are encouraged to provide feedback on NGPS and school policy and procedures, educational initiatives, student programming, and the school advancement plan.
