Industrial Safety Certification

June 29 - July 3

Students will complete the safety courses required by local industry and receive industry recognized 3-year certification in: H2S Alive, Confined Space, TDG, Fall Protection, WHMIS and more. Students must be 16 or older to register.

Earn up to 5 credits.

Safe Food Handling

July 1

The safe food course is good anywhere in Canada, so if you are working or volunteering around food, this course is a must. You will learn how to safely store and prepare food, at home or work to prevent anyone from getting sick. This is a great one day course to take when entering the work force if working in grocery stores, restaurants or anywhere there is food involved.

Earn 1 credit.

Learner's Licence Preparation

June 29, 30 & July 1

It takes study and practice to be a safe driver. This 3-day camp will provide students the opportunity to acquire the knowledge and skills necessary to pass the Alberta Class 7 Learner's Licence exam. Students will learn about the routine care and maintenance of a vehicle.

Earn 1 credit.

First Aid/CPR and AED

July 2 & 3

Learn how to save lives with first aid, CPR, AED and resuscitation training resources from the Heart and Stroke Foundation. Students obtain a 3-year first aid/CPR certification.

Earn 1 credit.

Register for RAP and Summer Work Experience with your Off-Campus Teacher

RAP - Registered Apprenticeship Program

Are you interested in the trades? Start your career now. RAP students are both full-time students and registered apprentices dividing their time between an approved work-site and their high school studies. Students must complete HCS3000 prior to starting work placements.

Earn 1 credit for every 25 hours worked.

Work Experience

Are you planning on getting a summer job? Are you interested in having your summer job help you develop the skills needed for your career? You can receive high school credits while you are working. Students must complete HCS3000 prior to starting work placements.

Earn 1 credit for every 25 hours worked.

Earn High School Credits

Students in grades 9 - 12 will explore areas of interest in a hands-on environment.
