Dear Superintendent and Board Chairperson:

On behalf of the Board of Directors of Alberta School Councils' Association, I am pleased to invite, at no charge, one elected or staff representative from your school authority to join our School Council Engagement Opportunity on Saturday, November 27, 2021, from 1:00 pm to 4:00 pm, being held virtually using the Zoom platform.

This event will focus on topics of importance to school councils and their communities: the current education environment, the draft K-6 curriculum, the Alberta School Council Engagement grant, the Assurance Framework, and information about ASCA's Proposed Advocacy Resolutions process.

As a partner in education, I would be thrilled to have you join us and observe the great conversations we are anticipating will take place.

Additional representatives from your school authority are also welcomed to join us, for a nominal fee of \$25.00 per person.

In addition, I respectfully ask that you utilize your internal communications methods to ensure all school councils/communities are aware of this event. Attendance for parents, principals, teacher reps, and student reps of ASCA Member School Councils *is free*. Registrants from school councils who are not ASCA members will be asked to pay a fee of \$25.00 per person.

For those able to join us, please register in advance using the following link
