

BOARD HIGHLIGHTS

Regular Meeting

August 30, 2022

For Immediate Release

Sangudo Community School (SCS) Presentation, Tammy Ethier – SCS Parent

Sangudo Community School parent Tammy Ethier presented to the Board on the progress the school and greater community of Sangudo have made in their efforts to increase the school's viability and enrolment numbers.

The community has made a successful bid to open up a child care centre within the school which will increase their utilization rate. With generous support from the community, local businesses and a provincial grant, the Sangudo Child Care Centre will open this October.

The community hopes that this valuable service, currently lacking within their community, and surrounding communities, will attract new families to the school.

Sangudo Community School Presentation, Randy Lovich – NGPS Director of Maintenance

Randy Lovich presented a contracted evaluation of Sangudo Community School as a facility, detailing the conditions of the site, the building's exterior and interior, and the building's structural, roof, mechanical, electrical, plumbing and heating systems.

Next Meeting

The next meeting of the Board is scheduled for [September 20, 2022](#), at the [Division Office in Whitecourt](#), commencing at 10:00 a.m. Members of the public are invited to attend or watch the Meeting live on our YouTube channel, [NGTV](#).
